

Enterprise IT Contracts

Welcome to the Alabama Office of Information Technology Enterprise IT Contracts Directory.

The documents and guides introduced in this Directory contain quick links to other documents or URLs. The quick links are accessed by clicking on the [underlined, blue-colored words or sentences](#). When accessed, one is redirected to various documents and URLs that assist in building a purchase order for the products and services on specific contracts. Some guides provide direct access to the e-mail addresses, marketing data, or Web sites of vendors or manufacturers. This site and all subsequent Guides are maintained by the Office of Information Technology.

We welcome any comments, suggestions, or questions regarding the Enterprise Contract process. Please select this link: [Enterprise Contracts Q&A](#) and someone will contact you as soon as possible.

If using Internet Explorer® as your browser:

- Use the back-arrow button  to return to a previous document
- Use the close button  to exit the entire session

The following link displays a table that contains links to the active enterprise contracts. Select the individual contract *Buyer's Guide* by selecting the underlined link in the column headed *Contract Number*.

The *Buyer's Guide* provides pertinent contract data that will assist in selection of products, vendor contact and selection, RFB and contract characteristics, and miscellaneous information that assists with purchasing the products or services.

Access to Active Contracts via the following link: [Active Enterprise Contracts](#)
